

From Serving Your Country to Serving a Community

We've got the career path for you.

Equity Residential, the country's largest publicly traded owner and operator of apartment communities, is recruiting returning service members to join our **Military Personnel Trainee Program!**

We've got opportunities to learn about property management through on-the-job training in several markets including the Washington DC metro area, Boston, New York, Seattle, the San Francisco Bay area, Los Angeles and Orange County.

Our structured, six-week trainee program will provide real-life exposure to the property management industry in preparation for a lasting career with our company.

Two career tracks are available to applicants depending on prior experience and skill sets: **Sales/Customer Service** or **Apartment Maintenance**.

Trainee positions are paid, full-time, and benefits-eligible, and a successful completion of the program will result in a permanent position with Equity Residential.
