

RPM Careers Week Is July 12-16!

Four challenges. Four opportunities to show your RPM spirit. Four chances to win.

RPM Careers Week is one action-packed week of contests, special events, and celebrations to show the world why we love and support the residential property management industry.

Apartment Onsite Teams Day — Wednesday, July 14 — is an integral part of the week's celebrations and an opportunity to highlight the hard work of vital, on-site property teams that have kept our communities safe and running during the COVID-19 pandemic.

The Challenges

Maintenance Monday: Take a photo or video of a maintenance professional you work with and submit it with a caption saying why they're a valuable member of your team.

Thank a Teammate Tuesday: Take a photo or video of your mentor or teammate and submit it with a caption saying how they've had an impact on your career.

Celebrate Diversity, Equity, and Inclusion Thursday: Take and submit a photo of yourself holding a sign that says why diversity, equity, and inclusion are important to your professional community.

Finding Your Dream Career Friday: Write and submit a short post (around 100 words) about how you landed your RPM career, along with a photo of yourself at work.
