

RPM Careers Week 2023 Spirit Calendar

RPM Careers Week, April 17–21, celebrates residential property management (RPM) professionals with themed days, exciting challenges and the chance to win prizes! This year’s themed days and challenges are:

	APRIL 17	APRIL 18	APRIL 19	APRIL 20	APRIL 21
	Dream Team Monday	Maintenance Tuesday	Apartment Onsite Teams Day	Thank a Teammate Thursday	Why I Love My RPM Career Friday
Challenge	Submit a photo of your team and tell us what makes them so great! All types of company staff are encouraged to take part.	Submit a photo of your maintenance team or a maintenance technician and tell us what makes them so valuable to your community.	<i>Despite not having a challenge on Wednesday, we want to hear about why your onsite team is vital to your community's success.</i> Post content using the hashtag #APTeamsDay to show your appreciation of RPM professionals. We'll share our favorites on RPM Careers' Facebook and Instagram pages throughout the day!	Submit a photo of an awesome teammate or mentor and tell us the impact they've had on you.	Take a photo of yourself at work and submit it with a two- to three-line caption telling us why you love your RPM career.
In-person engagement idea	Host a team meal, trivia lunch or game night.	Surprise your maintenance technicians with their favorite snacks.	Show apartment communities your appreciation by giving them a fun treat!	Go out to lunch or coffee with a teammate.	Tell others about the RPM industry and encourage them to check it out!
